So what exactly is a Pretty Party?

Our aesthetician, Gail, and I have been doing Pretty Parties (aka "Botox Parties") for more than a decade, but they have become increasingly popular in the past several years. There is much less stigma about having cosmetic

services, and people talk about Botox, Dysport, and the various facial fillers as easily as they talk about going to the hairdresser. People are realizing that hosting or going to a Pretty Party is a great way to have fun, save time, save money, and stay pretty.

Through **Medical Cosmetics** we have had Pretty Parties at our office, hair salons, other people's offices, but most often in people's homes. It typically involves Botox or Dysport injections to reduce expression lines or wrinkles. A newer trend is to also offer fillers at Pretty Parties to plump lips, lift out creases, or fill in hollow areas of the face. It usually involves a gathering of 6 to 12 women and/or men looking to get pretty or handsome while enjoying food and drink, in the company of friends, all while saving money. I only ask that everyone's questions are answered and consents are signed before the wine is served!

All you need to do to have your own Pretty Party is gather no less than 6 of your friends, call **Medical Cosmetics** (717-735-3900, www.medcoslanc.com) and ask Gail, Sonya or Kristen for their help to schedule a Pretty Party. You provide the Party and we provide the Pretty. It is that simple! The host will receive the largest discount for organizing and hosting the party. The bigger the party, the bigger the hostess' discount. Everyone who receives a service at the party also gets a discount.

Our schedule is filling up quickly as the holiday season approaches. Call soon so that you do not miss out on the Party or the Pretty! 🍷
